

## What's New

---

Beginning **Wednesday, April 29**, all debit card users will now see the following NEW card control options in online banking:

- **Update PIN** – No call necessary, update your PIN whenever you need to.
- **Digital Activation** – New cards are ready when you are! Activate directly in the app and add to your digital wallet for immediate use, all before you even receive your physical card.
- **View Full Details** – You'll now be able to see your full card number, expiration date and CVV number.

## What's Needed

---

To get started, head to online banking and select **Accounts/Manage Debit Cards** to enroll in alerts/controls and check out the new features. It's the fastest way to track your spending in real-time, set limits and shut down fraud before it happens. Don't leave your account vulnerable, take control of your security today!
